

Westview Landscaping Initiative
1307 Friarcreek Lane
Houston, Texas 77055

Dear Hilshire Village Neighbors,

Consider how many times a day that you travel along Westview Road....3, 4 or maybe more? Each time you go to the Kroger Center, Valley Oaks Elementary or make your way to I-10 you travel along a major street for the Hilshire Village community. Our goal is to provide consistent maintenance and develop these esplanades so that they add beauty and value to your home and neighborhood.

Hilshire Village residents formed Westview Landscaping Initiative to address the needs of the neglected Westview esplanades eight years ago. During this time we have provided routine maintenance and even been able to replant some lost trees and crepe myrtles but we know that so much more could be done to improve these medians.

We need your help! The care and maintenance of these 13 esplanades is all privately funded by area residents like you! If you like the improvements you're seeing on Westview, we encourage you to join us. Please contact us Donna or Tom Archer at donnarcher1@gmail.com if you have any comments or questions. Thank you for considering our organization and helping us keep our Westview Road beautiful.
